

## Junior Girls' Winter Training 2022

Winter is a great time to sharpen up your skills and to get ready for the new season.

As part to the development of junior golf in Norfolk the below four days of training are being provided by the Norfolk Ladies' County Golf Association.

This is open to all girls who play golf in Norfolk and would like to improve.

All sessions will take place at the Mattishall Golf Academy and are run in a relaxed and friendly environment with PGA professional Tony Varney who will set out skills challenges, the girls will then get go out in the afternoon and play 9-holes.

Along with the coaching this offers a great way to meet up with friends and to make new ones.
